

# The ID.3

Effective from 05.06.2025

## Impressive. Inside and Out

The ID.3 impresses with its classic, compact design and sporty silhouette. The long wheelbase and short overhangs not only enable a spacious interior, they also make the vehicle especially manoeuvrable. The clear lines of the exterior give the ID.3 a more mature look, while the interior is characterised by high-quality materials and numerous assistance systems are included as standard features. This is the cutting edge of fully electric mobility.

## Form & Function, in Perfect Harmony

The full-width bumper, extended wheel housings and two-colour design with black roof and tailgate emphasise the striking lines in the body's construction. The aerodynamically-shaped air intake grilles at the front also improve ID.3's driving range. Exciting colours such as Dark Olivine Green Metallic, together with sophisticated front details, perfectly give the ID.3 a fresh face without losing the iconic look of the ID. family.

## Lighting Your Way

With ID.3's Exterior Package, the new ID.3 comes with a highlight from the very first glance: the innovative IQ.LIGHT, for even more expression, convenience and safety. LED Matrix headlights light up your way using the dynamic main-beam, enabling you to drive with the main beams permanently without blinding oncoming traffic. An elegant ribbon of light runs between the attractive LED-matrix-headlights and the Volkswagen logo. The exterior package offers additional lighting elements: IQ.LIGHT - 3D LED tail light clusters with dynamic turn signals and light strips between the headlights. Tinted rear and side windows round off the overall look.

## Identifiable, Front and Back

The striking front features are just as essential at the rear: The Exterior Package also includes the optional 3D tail light clusters with animated brake lights and integrated dynamic turn signals which indicate the direction with a flowing light movement. All provide a striking contrast against the gloss back tailgate.

## Impressive Driving Range & Fast Recharging

Thanks to its modular electric drive matrix (MEB), ID.3 comes in a range of battery sizes, enabling excellent driving ranges of between 387km to 604km across a range of exciting powertrains and trimlines. Whether your destination is down the road, or cross-country, ID.3's impressive driving range coupled with DC fast-charging speeds of up to 185kW mean more time can be spent enjoying the drive.

## Assisting You on All of Your Journeys

The Front Assist emergency braking system with pedestrian and cyclist detection can warn you of accidents involving pedestrians, cyclists and other vehicles and, if necessary, automatically apply the emergency brakes for you. In addition, ACC Adaptive Cruise Control enables predictive speed adjustment and cornering assistance: your vehicle can react automatically to the upcoming course of the road and adapt its speed to the traffic regulations. For a more relaxed drive.

**Importantly note: Aforementioned pricing inclusive of SEAI grant of €3,500.**

<sup>1</sup>This vehicle is a WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicle. More information is available at [www.volkswagen.ie/wltp](http://www.volkswagen.ie/wltp).

<sup>2</sup>Net to energy amount.

<sup>3</sup>The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonised Light Vehicles Test Procedure (WLTP). The WLTP provides a more realistic test method for measuring fuel consumption (kWh/100km) and CO<sub>2</sub> emissions and the values stated are correct at the time of publication. For Electric Vehicles (EVs), this includes battery performance and energy consumption (kWh/100km). The values provided reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel or energy consumption (kWh/100km), emissions and achievable range. WLTP range values for standard vehicles may vary depending on equipment and configuration. In practice, actual range and consumption may vary depending on driving style: speed, use of convenience/auxiliary equipment, outside temperature, number of passengers/additional load, and topography. For EVs, factors such as battery age and condition, charging methods, and ambient temperature can also impact range and energy consumption. To discover exact values please configure your desired vehicle at [volkswagen.ie/en/build.html](http://volkswagen.ie/en/build.html). You can discover more about the WLTP at [volkswagen.ie/wltp](http://volkswagen.ie/wltp). Please note that regulations and test conditions are subject to change, and this information may be updated accordingly.

<sup>4</sup>The ID.3 Pro and Pro S model ranges are available in different performance levels. You can still purchase performance upgrades for your vehicle even after delivery. The highest available value is stated as the highest useable power in the certificate of conformity (COC) and the information derived from it in your registration documents. Depending on the power level ordered, the activated engine system power of your vehicle may be different than that stated in the registration documents and the COC. You can see the activated engine system performance of your vehicle in the vehicle status in the infotainment system. If the information in your registration documents and the COC is higher, this does not constitute a claim to the (maximum) properties shown there. Please consult your local Volkswagen retailer for more information on these changes.

<sup>5</sup>State subsidies refer to VRT relief and SEAI Grant for Private Customers, Business/Commercial Buyer State subsidy comprises of VRT relief, all of which are subject to approval. SEAI Grant is not applicable on vehicles with a list price of over €60,000. For more information see [volkswagen.ie/en/electric-cars/seai-grant.html](http://volkswagen.ie/en/electric-cars/seai-grant.html)

<sup>6</sup>All prices (Retail, Delivery and ROTR) are recommended by Volkswagen Ireland and are inclusive of VAT. €1,415 includes optional 'S Pack' ID. Service Plan which can be removed upon request. Maximum Delivery charge with Service Plan removed is €1,095. 'S Pack' ID. Service Plan includes one service, with pollen filter and brake fluid replacement.

<sup>7</sup>Recommended 'On the Road' Retail price. The new Service Plan is applicable to 252 registrations only.

VRT Bands and rate of Annual Motor Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2026 cars produced from CW24/2025 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

Volkswagen Ireland may change Recommended Retail Prices at any time, including, but not limited to, where there are changes in regulation and/or legislation. Please note there may be a delay in updating RRP's on our materials. Always obtain prices from your chosen authorised Volkswagen Retailer, as prices provided by Volkswagen Retailers may vary. RRP's are non-binding recommendations and do not include costs related to optional extras, accessories or infrastructure, such as home charging equipment or installation

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit [volkswagen.ie](http://volkswagen.ie) configurator for details relating to the tyres applicable to said vehicles

Please note every effort has been made to ensure the contents of this publication (including RRP, CO<sub>2</sub>, fuel consumption, energy consumption, range figures and technical information) were accurate and up-to-date as of 5th June 2025. Volkswagen Ireland reserves the right to change specification, prices and/or withdraw products from sale without notice. Any such changes will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your Volkswagen retailer for the latest product information.

3 Years Tyre Insurance covers tyres that are damaged by an Insured Event. Exclusions do apply. For more information on general terms and conditions, please visit [volkswagen.ie/en/owners-and-services/service-and-parts/wheels-and-tyres.html](http://volkswagen.ie/en/owners-and-services/service-and-parts/wheels-and-tyres.html). This does not constitute a claim to the (maximum) properties shown there. Please consult your local Volkswagen retailer for more information on these changes.

# ID.3 Pure

52kWh Battery  
388km Range

## Interior Equipment

- » Centre console and armrests
- » Dimming interior rear view mirror
- » **Interior ambient lighting in 10 colours**
- » 60:40 split rear seats with load through hatch
- » Leather-wrapped multifunction steering wheel
- » 4 speakers
- » 'Taia' cloth seat trim covers
- » Rear centre arm rest
- » 2 rear cup holders

## Safety Equipment

- » Driver and front passenger airbags with front passenger deactivation
- » Curtain and side airbag in front, with center airbag
- » ISOFIX anchorage points for two child seats in rear, and one anchorage point on front passenger seat
- » Safety-optimised head restraints in front
- » 3-point seat belts front with seat belt pretensioner
- » Warning signal and warning light for front and rear seat belts not fastened
- » Emergency braking with pedestrian and cyclist monitoring
- » Electronic steering column lock
- » Electromechanical speed-sensitive power steering
- » Electronic Engine Immobiliser
- » Electric mechanical Brake Booster
- » Electronic engine sound between 0-30km/h
- » Oncoming vehicle braking when turning and swerve support
- » Driver Alert System
- » Alcohol interlock preparation
- » UN ECE cybersecurity software update

## Functional Equipment

- » **12.9" Infotainment system**
- » 'Keyless Start' without SAFELOCK
- » 2 USB-C front & rear interfaces with increased charging capacity
- » Forward Collision Warning 'Front Assist'
- » Wired App Connect (Android Auto) and wireless App Connect (Apple CarPlay)
- » We Connect Plus
- » Park Distance control - warning signals for obstacles in front and rear
- » **Dynamic Road Sign Display**
- » eCall emergency call service
- » **Voice control incl. ChatGPT**
- » **Driving Profile Selection**
- » Digital cockpit on steering column
- » Diversity antenna for FM reception
- » Digital Radio Reception DAB+
- » Tool Kit
- » Tyre Pressure monitoring system
- » Automatic dimming for interior mirror
- » Centre console with illuminated storage compartment and sliding cover
- » Preparation for Functions-On-Demand

## Exterior Equipment

- » 18" steel wheels
- » LED headlights with automatic headlight control
- » Heated front window washer nozzles
- » Folding exterior mirrors, power adjustable, heated and with front passenger exterior mirror lowering function
- » Rain sensor
- » Exterior surround lighting with unique puddle light design

## Charging Equipment

- » Charging cable Mode 3 Type 2, 32 A
- » Battery charging capacity - max. 7kW AC, max. 145kW DC
- » 8 year battery warranty or 160,000km, whichever ever comes first

# ID.3 Pure Plus (in addition to Pure)

52kWh Battery  
387km Range

## Interior Features

- » Floor mats

## Assistance Features

- » Rear view camera
- » 'Light Assist' highbeam control

## Exterior Features

- » **Metallic Paint**
- » Privacy glass for rear side windows and rear window
- » **18" 'East Derry' alloy wheels**

## Comfort Package

- » 2-Zone Air Care Climatronic
- » Leather-wrapped multifunction steering wheel, heated
- » **Heated front seats**
- » Navigation system "Discover Pro"
- » **Comfort mobile phone interface with inductive charging feature**

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Effective from 5th June 2025, for production from CW24/2025 onwards. All prices include VAT and VRT. Prices and specifications are subject to change without notice.

- » Dimming interior rear view mirror
- » 60:40 split rear seats with load through hatch
- » 4 speakers
- » Rear centre arm rest
- » 2 rear cup holders
- » Play/Pause pedals

## GTX Interior Equipment

- » Sports seats in front with integrated head restraint
- » 'GTX' fabric seat trim covers in front and rear
- » GTX-specific leather-wrapped multifunction steering wheel
- » Door and side trim panels in leatherette with red stitching

## Safety Equipment

- » Driver and front passenger airbags with front passenger deactivation
- » Curtain and side airbag in front, with center airbag
- » ISOFIX anchorage points for two child seats in rear, and one anchorage point on front passenger seat
- » Safety-optimised head restraints in front
- » 3-point seat belts front with seat belt pretensioner
- » Warning signal and warning light for front and rear seat belts not fastened
- » Emergency braking with pedestrian and cyclist monitoring
- » Electronic steering column lock
- » Electromechanical speed-sensitive power steering
- » Electronic Engine Immobiliser
- » Electric mechanical Brake Booster
- » Electronic engine sound between 0-30km/h
- » Oncoming vehicle braking when turning and swerve support
- » Driver Alert System
- » Alcohol interlock preparation
- » UN ECE cybersecurity software update

## GTX Functional Equipment

- » Sport shock absorption in front and rear
- » Progressive steering

## Functional Equipment

- » 12.9" Infotainment system
- » 'Keyless Start' without SAFELOCK
- » 2 USB-C front & rear interfaces with increased charging capacity
- » Forward Collision Warning 'Front Assist'
- » Car 2X Technology car-to-car wireless information transfer
- » Wired App Connect (Android Auto) and wireless App Connect (Apple CarPlay)
- » We Connect Plus
- » Park Distance control - warning signals for obstacles in front and rear
- » Dynamic Road Sign Display
- » eCall emergency call service
- » Voice control incl. ChatGPT
- » Driving Profile Selection
- » Digital cockpit on steering column
- » Diversity antenna for FM reception
- » Digital Radio Reception DAB+
- » Tool Kit
- » Tyre Pressure monitoring system
- » Automatic dimming for interior mirror
- » Centre console with illuminated storage compartment and sliding cover
- » Preparation for Functions-On-Demand

## Vehicle Charging

- » Battery charging capacity - max. 11kW AC, max. 185kW DC
- » 8 year battery warranty or 160,000km, which ever comes first

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

# ID.3 GTX Performance Plus

## (in addition to GTX)

79kWh Battery  
594km Range

### Comfort Package

- » 2-Zone Air Care Climatronic
- » Leather-wrapped multifunction steering wheel, heated
- » Heated front seats
- » Navigation system "Discover Pro"
- » Rain sensor
- » Comfort mobile phone interface with inductive charging feature

### GTX Interior Equipment

- » 'GTX' ArtVelours seat trim covers in front and rear

### Interior Package Plus

- » Top Sport seats in front with integrated head restraint
- » Pneumatically-adjustable lumbar supports in front seats
- » ergoActive front seats with power adjustment, memory feature, adjustable thigh support and massage functionality
- » Heated steering wheel
- » Heat- and sound-insulating windshield
- » Door and side trim panels in ArtVelours and leatherette
- » Interior ambient lighting (30 colours)
- » Augmented-Reality Heads-Up display
- » Harman Kardon sound system

### Adaptive Chassis Control (DCC)

- » DCC sports shock absorption in front and rear
- » Progressive steering
- » Adaptive Chassis Control DCC incl. driver profile selection

### Assistance Package

- » Rear view camera
- » Illuminated door handle recesses
- » Keyless access with SAFELOCK
- » Anti-theft alarm
- » Proactive passenger protection system
- » Park Assist Plus with park distance control

### Interior Features

- » Floor mats

### Exterior Features

- » Metallic Paint

Note: The above images show ID.3 GTX Performance Plus with 20" 'Skagen' alloy wheels in black

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Maximum DC Charging Power, kW	145	165	175
Combined CO2 emissions, g/km	0	0	0

<sup>1</sup>VRT Bands and rate of Annual Motor Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2026 cars produced from CW24/2025 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

<sup>2</sup>The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP). The WLTP provides a more realistic test method for measuring fuel consumption (kWh/100km) and CO<sub>2</sub> emissions and the values stated are correct at the time of publication. For Electric Vehicles (EVs), this includes battery performance and energy consumption (kWh/100km). The values provided reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel or energy consumption (kWh/100km), emissions and achievable range. WLTP range values for standard vehicles may vary depending on equipment and configuration. In practice, actual range and consumption may vary depending on driving style, speed, use of convenience/auxiliary equipment, outside temperature, number of passengers/additional load, and topography. For EVs, factors such as battery age and condition, charging methods, and ambient temperature can also impact range and energy consumption. To discover exact values please configure your desired vehicle at [volkswagen.ie/en/build.html](https://www.volkswagen.ie/en/build.html). You can discover more about the WLTP at [volkswagen.ie/wltp](https://www.volkswagen.ie/wltp). Please note that regulations and test conditions are subject to change, and this information may be updated accordingly.

<sup>3</sup>The ID.3 Pro and Pro S model ranges are available in different performance levels. You can still purchase performance upgrades for your vehicle even after delivery. The highest available value is stated as the highest useable power in the certificate of conformity (COC) and the information derived from it in your registration documents. Depending on the power level ordered, the activated engine system power of your vehicle may be different than that stated in the registration documents and the COC. You can see the activated engine system performance of your vehicle in the vehicle status in the infotainment system. If the information in your registration documents and the COC is higher, this does not constitute a claim to the (maximum) properties shown there. Please consult your local Volkswagen retailer for more information on these changes.

<sup>4</sup>These are average charging times that can vary depending on certain conditions, such as temperature

To calculate your estimated driving range please click here <https://www.volkswagen.ie/en/electric-cars/e-mobility-tools.html>

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit [volkswagen.ie](https://www.volkswagen.ie) configurator for details relating to the tyres applicable to said vehicles.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO<sub>2</sub>, fuel consumption, energy consumption, range figures and technical information) were accurate and up-to-date as of 5th June 2025. Volkswagen Ireland reserves the right to change specification, prices and/or withdraw products from sale without notice. Any such changes will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your Volkswagen retailer for the latest product information.
